1 - TRUSTED TRADER

The Dundee City Council Trusted Trader Scheme is a local business partnership which aims to

- increase consumer confidence
- promote good practice within local businesses
- help to protect citizens from doorstep crime

The Scheme is managed and administered by Trading Standards which is a part of Dundee City Council's Neighbourhood Services. The services delivered by member businesses are assessed by their own customers, through a survey system operated by Referenceline Ltd. Customer survey information about member firms is freely available online to all local consumers.

Applications are invited from Dundee based businesses, or businesses who can demonstrate that a significant proportion of their work is conducted in Dundee. The Scheme accepts applications from a wide variety of business sectors.

Scheme membership will be granted to suitable applicants, after vetting in accordance with the acceptance criteria (see appendix 1).

2 - TRADING STANDARDS COMMITMENTS

We will:

1. Provide a fair and impartial service for both traders and consumers.
2. Ensure compliance with consumer protection legislation, and agree to carry out any investigations promptly and fairly.

4. Assist with staff training where possible.
5. Provide an officer who will act as a point of contact for the business in any dispute, and for the provision of advice and assistance.

12. Process members' data fairly and in accordance with the Data Protection Act

3 - BUSINESS CODE OF PRACTICE

Traders shall agree to trade fairly and within the spirit of the law and good business practice.

Members will:

1. Provide Trading Standards with full details of ownership, trading names, premises, staffing levels and trade activities. Any addresses provided to the public shall be proper addresses capable of being used to contact you by letter
2. Inform, in writing or by electronic means, Trading Standards of any significant changes to the above within 14 working days of the change.
3. Ensure that all employees and subcontractors are made aware of the scheme and agree to act in accordance with the members obligations under the Scheme.

4. Agree to use the Referenceline system and collect feedback by offering questionnaires (including electronic versions) to all customers and actively encourage their use. Members without feedback in the previous six months will be contacted and advised appropriately. A further period of three months without feedback will result in membership termination.
5. Agree to abide by the terms and conditions of the scheme. Failure to do so will invoke the membership review procedure, (see appendix 2).
6. Pay their annual membership fee within 28 days of the due date (Except for members who pay by Direct Debit), otherwise membership will be revoked.

13. For contracts of more than just a minor value, ensure that customer deposits to secure a contract shall not exceed 20% of the total contract price. Any staged payments agreed with the customer shall not include the final 10% of the contract which is to be retained by the consumer until after completion of the contract. Reasonable exceptions to this rule will be considered where the member can justify this to Trading Standards
14. Where appropriate, parts replaced must be left for consumer inspection upon request.

 1. The Provision of Services Regulations 2009

Details will be provided of who is responsible for the guarantee or warranty. There must be no high pressure selling of any additional guarantees or warranties. Upon request, written details of any free guarantee will be provided to the customer.
5. Member firms shall give clear information regarding cancellation rights that customers may have, whether these are statutory or additional rights.
6. All member firms must be committed to providing a quality service to their customers. By joining the Trusted Trader Scheme you are agreeing to comply with the spirit and letter of both the criminal and civil law relating to your business.
7. All member firms must respond to consumer enquiries promptly, even in cases where they are unable to take on work.

Members must take full responsibility for subcontractors work. Where a substantial proportion of the work is to be subcontracted the customer should be informed.

6 - PROMOTION

The words 'Trading Standards Approved', 'Recommended' or any other similar terms must not be used with any reference to membership of the scheme or in conjunction with the logo. Membership of the Scheme must not be promoted until membership is confirmed. On becoming a full member of the Scheme businesses will be issued with:

- A membership certificate to display on their business premises.
- An electronic copy of the Scheme logo.
- Appropriate advertising materials as are available.

If a member leaves the Scheme or membership is revoked, then the use of the logo will cease immediately; all advertising and business documentation must be modified within 14 days of membership ending. Continued use of the logo, any other indication of membership, or any false claims in respect of membership of this Scheme, may constitute an offence and Dundee City Council will consider formal enforcement actions on such occasions.

The words 'Trusted Trader' and the handshake logo is a registered UK Trademark.

7 - DISPUTE RESOLUTION PROCESS

If a consumer is unhappy with any work carried out by a member of the Scheme, the trader must agree to comply with the dispute resolution procedure detailed below. However, if the trader is a member of a trade association [or other body], which has its own code of practice and alternative dispute resolution process, then complaints may be referred to that service for independent adjudication and the Trusted Trader Dispute Resolution Process will not be invoked.

1. Consumers and traders should initially try to resolve complaints through discussion. Any details of the complaint should be made in writing to the other party.
2. If the complaint remains unresolved, either party may contact Trading Standards with details of the complaint.
3. Trading Standards will respond to both parties within five working days.
4. Trading Standards will consider the complaint, and where appropriate provide a recommendation to resolve the dispute.
5. Member firms must agree to communicate fully with Trading Standards staff throughout the process of dealing with any dispute.
6. Members must keep records of disputes for a minimum of one calendar year.
7. Any dispute which cannot be resolved by the above process, can be referred to Kent County Council Trading Standards (The "ADR entity") at the discretion of Dundee City Council. Kent County Council Trading Standards provide an independent, impartial, and cost effective means to resolve disputes outwith the courts.
8. Disputes which are referred to the ADR entity will be dealt with according to their procedures. More information can be found at <https://www.kent.gov.uk/business/trading-standards/consumer-protection/resolving-a-dispute-with-a-trader>
9. Both parties involved in the dispute and Trading Standards will receive a copy of the ADR decision. Decisions of the ADR entity are binding on members. Consumers are not bound by the decisions of the ADR entity.
10. If at any time, the consultation of an independent expert is required, for example for inspection or testing, agreement will be sought from both parties about the arrangement of such a consultation including payment.

8 - MEMBERSHIP FEES

Trusted Trader membership fees are payable, on a pro rata basis, at the time of initial acceptance on to the Scheme. Thereafter annual fees are payable from the 1st of April each year.

3. Use of the ADR entity dispute resolution system where necessary is included in the membership fee subject to the following restriction. In the event that a member is taken to ADR on more than one occasion within the same year of membership, that case referral fee may be charged to the member by Dundee City Council. The case referral fee shall be payable within 28 days of the written request. Failure to pay this fee within the timescale may result in the membership review procedure being invoked (details in appendix 2)
4. Access to the Trusted Trader website is free to consumers.
5. Where membership is revoked, or a member withdraws from the scheme there will be no refund of any membership fees paid, or reimbursement made in respect of advertising material or documentation. 5. If you are dissatisfied with that decision, you may be able to raise a complaint through Dundee City Council's Corporate Complaints Procedure, details of which will be provided in the decision outcome communication.
6. If an applicant is unsuccessful in their application to join the scheme or membership is revoked, then they will be eligible to apply to re-join the scheme once any remedial action has been carried out, or after the time imposed by Trading Standards, whichever is the later.
